### AGM - FRIDAY 8th September 3.30pm

Please come along to our AGM, if you would like a say in what we are spending this year's profits on and what is on our agenda for the next academic year. We would love to see some new faces and have some extra hands and minds on our team.

### YEAR 6 LEAVERS AWARDS

Friends of Westgate pay for and organise the year 6 leavers awards party. It really is the most heartwarming event and my personal favourite from the school year. I volunteer in year 6, so seeing the children grow and get ready for their next adventure is just lovely.

Our Year 6 teachers and TAs are just wonderful and do a great job at preparing our children for high school.

The children had a wonderful time and celebrated in style!

Good luck to all our Year 6 children.

### SUMMER

Last but no means least, we would like to wish you all an amazing summer break. Children, Parents and Staff! Your hard work, support and generosity really has helped make all the difference to our children's school life and all our events a success!

See you in September. ❤️💛

# HAPPY SUMMER HOLIDAYS

### FUTURE EVENTS

Did I mention the friends AGM? 🗣️

Friday 8th September 3.30pm

Tea and biscuits.

### SUMMER FAIR

What a turn out we had for our summer fair! You guys are just amazing! Thank you for taking time to support the school especially in rubbish weather.

We made a fantastic £3,000 profit. Which is just out of this world.

My highlight must be 'Gunge The Teacher'. A special thank you to Mr Clarke for organising this one and to all our staff for giving up a Friday Evening for us! It's so appreciated. 😊

The comradery between the teachers in school was hilarious. 🤔

We love how our teachers get involved and are always up for fun!

### MEET THE FRIEND'S VOLUNTEER

Meet Mr Clarke.

Mr Clarke is one of the nicest humans on this planet.

He has time for everybody, and he also has the patience of a Saint. Mr Clarke always helps us with events for friends, from setting up, participating, thinking up creative ideas to help raise funds and making sure they run smooth (Just to name a few).

Mr Clarke is also a governor at school so I'm pretty sure his blood type is Westgate.

Thank you Mr Clark, for all you do for us! You're an essential member of our team and worth your weight in gold!

If you have an idea for a different event, know of a way to raise funds, would like to donate or would like to volunteer some time, please contact the school office or email us at [friendsofwestgate@westgatesch.com](mailto:friendsofwestgate@westgatesch.com)
